

LEVINGTON FLOWER SHOW COMMITTEE
AND GARDEN CLUB

A short report as, unfortunately, the last year has been one of cancellations.

Flower Show Day planned for July was one of the cancelled events, but the Committee arranged a village scarecrow and floral wreath exhibition plus an online flower gallery in its place: all Covid safe.

The Committee would like to thank all those who participated.

The future is still uncertain but, on a brighter note, provisional arrangements have been made to hold a Flower Show on Saturday 21 August, subject to Covid arrangements at this time.

David Long

Secretary

Levington Flower Show Committee
