

LEVINGTON AND STRATTON HALL PARISH COUNCIL

PLANNING COMMITTEE MEETING

WEDNESDAY 8th APRIL 2015 at 9am

AT LEVINGTON VILLAGE HALL

To consider:

Application No: DC/15/1012

Location: BDK Factory, Bridge Rd, Levington

Proposal: Erection of a steel-clad single-storey storage building at the rear of existing buildings.

In attendance:

David Long, Louise Mann, Ian Angus (Lead councillor).
No members of the public attended.

Deliberations:

Mr Angus had previously talked with all the neighbours, none of whom had any concerns. He explained that the extra storage was necessary due to extra 24 hour working at the factory.

The new steel-clad building would be well screened and coloured green to blend in with existing finishes on adjacent buildings. The pitched roof would be the same height as existing buildings.

The committee unanimously agreed that they had no objections and would support the application.

Ian Angus
